

The Innocent Justice Foundation's

S.H.I.F.T.

Supporting Heroes In mental health Foundational Training

Seattle, Washington

SHIFT Wellness

October 17, 2014

Who:

For professionals exposed to child pornography at work and mental health professionals working with the exposed individual.

What:

Learn how to develop effective coping strategies to deal with trauma caused by viewing child pornography.

When:

Friday, October 17, 2014 | 8:00am - 3:00pm

Where:

WA State Criminal Justice Training
Commission

Cost:

Free

Learning Objectives:

- Examine the mechanisms by which trauma occurs, and the symptoms of exposure to child pornography (CP).
- Assess the effects of acute and/or chronic exposure to CP, and compare factors that may mitigate or exacerbate negative effects of exposure.
- Create a comprehensive work plan to start taking control and limit the effects of trauma.

Presenters:

Jean McAllister, MSW

Ms. McAllister is an independent consultant and trainer with her own business, JGM Consulting, LLC, and has more than 30 years of experience working to address trauma and interpersonal violence. Her work has focused on sexual assault, child abuse and sexual abuse, domestic violence, trauma and victimization, offender dynamics, secondary trauma intervention, stress management, organizational development and policy development. She serves as an expert witness and provides case consultation regarding sexual assault, child abuse and sexual abuse, domestic violence, victim trauma reactions, and offender management.

Jim Kouril

Investigator Jim Kouril joined the Moscow Idaho Police Department in 1990, during his time in Moscow he advanced to the rank of Detective and became interested in computer related crimes. In 2004, he joined the Idaho Office of Attorney General and is now responsible for the ICAC Idaho task force representing over 75 agencies. His duties include managing the state ICAC unit, managing federal grants, and investigating internet crimes against children.
